

Library & Common Room Clean – Up

The National Service Scheme (NSS) Society of Loreto College, Kolkata organised a cleaning drive in the college campus on 4th April, 2024. The two areas of focus were the Library and the Common Room. 36 NSS volunteers were divided into two groups for the cleaning purpose. The first group cleaned the common room by dusting the sofas and cushions, rearranging the tables and chairs, and cleaning the cabinets and windows. The second group cleaned the library by dusting the books and cleaning the shelves. This drive helped the students to appreciate the daily efforts of the facility staff in keeping the library and common room clean.
