

Loreto College

STRATEGIC PLAN

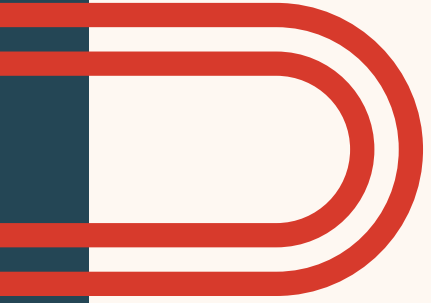

(2022-2024)

Over the years, our college has continuously evolved, building upon the strong foundation that was already in place. By embracing new ideas, enhancing academic programs, and strengthening student support services, we have expanded opportunities for learning and growth. Our commitment to excellence has driven us to refine existing resources, introduce new initiatives, and create an environment where students, faculty, and the broader community can thrive. This progress reflects not only our dedication to education but also our ability to adapt, improve, and shape the future while staying true to our core values.

GOALS

Short-Term Goals for 2 Years

To achieve academic excellence by expanding academic offerings, fostering research and innovation, strengthening our connection with the community through collaborations and outreach activities and environmental sustainability for holistic development of students

FOCUS AREA 1
