

**ICSSR Sponsored
One Day National Seminar
on
Artificial Intelligence: A Journey into the Realm of Automation in pedagogy of learning
and teaching
organized by the
Department of B.Ed., in collaboration with Internal Quality Assurance Cell, Loreto College
November 29, 2024**

The Department of B. Ed, Loreto College, Kolkata in collaboration with the Internal Quality Assurance Cell (IQAC), organized a One-day Indian Council of Social Science Research (ICSSR-ERC) sponsored National Seminar titled “Artificial Intelligence: A Journey into the Realm of Automation in the Pedagogy of Learning and Teaching” on November 29, 2024. The seminar explored the transformative potential of artificial intelligence (AI) in education, drawing participation from educators, researchers, and students across institutions.

LEARNING OBJECTIVES

- Understanding AI in Education.
- Understand Risks and Challenges.
- Discuss Regulatory Frameworks.
- Highlight Best Practices by showcasing examples of organizations successfully leveraging AI while managing risks effectively.
- Foster Dialogue through discussions among experts, industry leaders, policymakers, and academia to share insights, experiences, and innovative solutions.

LEARNING OUTCOMES

After the programme, the participants were able to

- Experience increased awareness of the potential of AI to transform educational practices.
- understand impact of AI on education and teaching practices.
- Network opportunities for collaboration among stakeholders in AI and education.
- Strengthen professional networks among participants.

FEEDBACK REPORT

Total Number of Participants: 165

Total Number of Respondents: 150
