**A Special Lecture**

**Theme: Indian Foreign policy since 1991: Trends and Shifts**

**Date: January 3, 2024, Time: 1.00 PM, Venue: Loreto College Auditorium**

**Learning Objectives:**

1. Acquire comprehensive knowledge about the evolution of Indian Foreign Policy since 1991, including the historical context, key milestones, and significant diplomatic decisions.
2. Develop the ability to analyse and identify trends within Indian Foreign Policy, discerning patterns and shifts in the nation's approach to global affairs.
3. Gain an understanding of how geopolitical changes since 1991 have influenced and moulded India's foreign relations, including shifts in alliances, regional dynamics, and global partnerships.
4. Evaluate the role of economic diplomacy in Indian Foreign Policy, examine how economic considerations have influenced diplomatic decisions and international engagements.

**Learning Outcomes:**

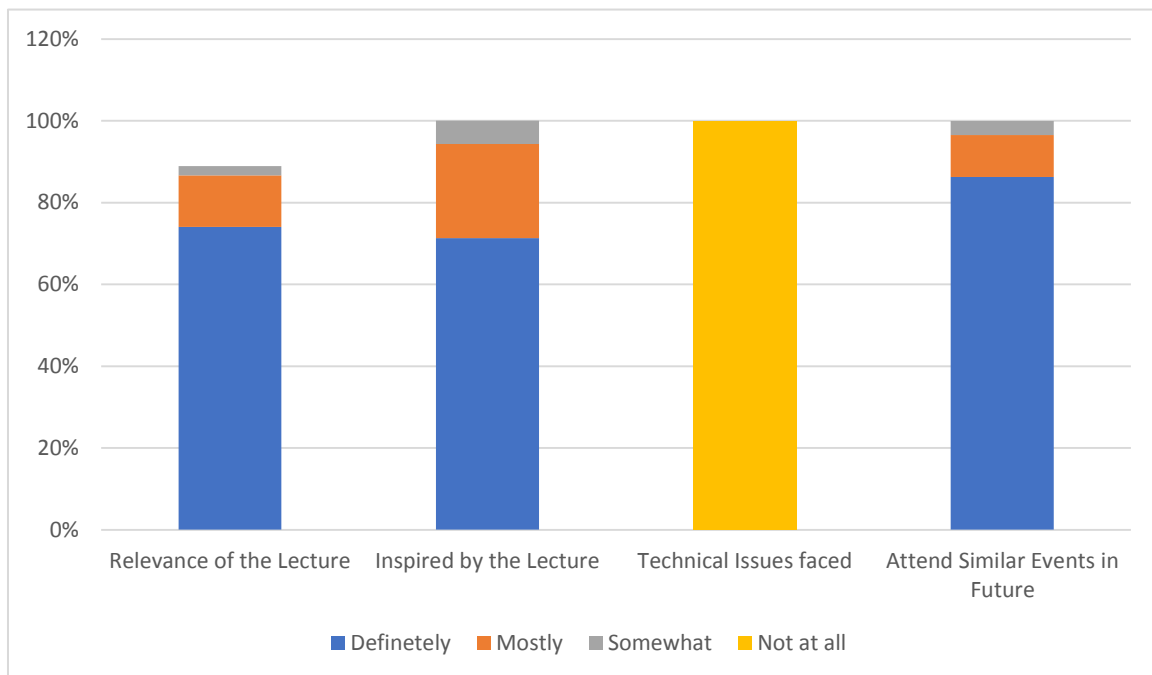

**At the end of the session the students were able to:**

1. Enhance their critical thinking skills to evaluate the complexities and challenges faced by India in the evolving landscape of international relations
2. Acquire knowledge of contemporary issues thereby enabling participants to engage in informed discussions on India's foreign policy in current global scenarios.
3. Articulate their thoughts and ideas regarding Indian Foreign Policy trends and shifts in future academic endeavours.
