Facilities and Resources

Students will get access to a central library, seminar library as well as e-books and journals. Smart classrooms help in enhancing the teaching-learning process and provide access to abundant educational resources. The placement cell of the college provides regular facilities of accessing different organizations for recruitment

Career Opportunities

Completing the post-graduation course will prepare the student for academic research programmes, and specialized professional courses in the field

Student Support Services

Personal Counselling is an integral part of the college. It is offered by qualified counsellors. The Career Counselling Cell organizes lectures and conducts interactive sessions with professionals in diverse fields, where students are informed about various career options. Loreto College has an Anti-Ragging Cell, an Internal Complaints Committee (ICC) which addresses sexual harassment, and a Grievance Redressal Cell.
