

DEPARTMENT OF B.ED. EVENT

A SPECIAL LECTURE ON 'NEW CHALLENGES IN EDUCATION AND THE NEW AGE TEACHER' BY MRS.SHUCHISMITA RAHA

Date: March 22, 2022

LEARNING OBJECTIVES

- Critically analyse the paradigm shift in education in the pandemic period
- Recognize the impact of the pandemic on the teachers and students and their adjustment to online teaching-learning
- Understand the challenges of teaching in the post pandemic era
- Learn the skills needed for the New Age Teacher
- Evaluate one's capabilities in the light of the topic of the talk

LEARNING OUTCOMES

After the end of the talk and interaction, the participants were able to:

- Analyse the importance of reimagining the traditional concept of teaching-learning
- Understand the meaning and need of the New Age Teacher as a facilitator and empathetic communicator
- Learn that nothing can replace face to face teaching that keeps both the students as well as the teachers motivated
- Realise that thousands of teachers and students have refused to give up in the pandemic years and emerged stronger
- Identify strategies to adopt and practice for competency based teaching and evaluation
