Thereafter, several events followed such as National Service Scheme Day celebration, a poster-making competition on the theme of dengue/malaria. National Service Scheme Society organized enriching webtalks with eminent resource persons such as a webtalk on Covid protocols in educational institutions with Dr. Kunal Sarkar, a webtalk on natural ways to promote immunity with Dr. N. Abdul Azeez and a webinar on rural entrepreneurship with Mrs. Tuti Sandhya. WEBINAR ON RURAL ENTREPRENEURSHIP

A webinar on 'Rural Entrepreneurship' was organized by the Mahatma Gandhi National Council of Rural Entrepreneurship (MGNCRE) Cell in collaboration with the Internal Quality Assurance Cell (IQAC), Loreto College, Kolkata, on the February 24, 2022. The resource person for the webinar was Mrs Tuti Sandhya, senior faculty MGNCRE, Ministry of Education, Government of India. A total of 66 students of the College participated in this webinar.

In the webinar, the students were familiarized with the concept of rural entrepreneurship and various economic hardships that the rural entrepreneurs face while indicating their probable solutions. The students were introduced to MGNCRE sponsored organizations like Rural Employment Development (RED) Cell and One District – One Product Scheme (ODOP), to encourage them to take up initiatives to choose entrepreneurship as a career and promote local products. Mrs Sandhya also explained how students with this knowledge can help to link the farming sector with the mainstream markets and promote the export of the products produced by the rural entrepreneurs throughout the country by way of pursuing social entrepreneurship. The webinar helped the students to realize the need for the upliftment of the rural poor for sustainable growth of the economy.

VRIKSHA RAKSHA BANDHAN

An initiative by Loreto College in collaboration with MGNCRE

Theme: Vriksha Raksha Bandhan

Vriksha Raksha Bandhan is an initiative taken by MGNCRE (Mahatma Gandhi National Council of Rural Education) in collaboration with the NSS (National Service Scheme) of Loreto College. Students acknowledged the importance of nature as they tied a thread around their green friends symbolizing a bond of unity. Through this initiative the students vowed to protect nature, just like one vows to protect their siblings. Their activities included making a rakhi using sustainable material (like fabric, thread, jute etc.) and tying the rakhi to an old tree, a plant or a sapling. Celebrating the festival of Vriksha Raksha Bandhan, Sister Christine Coutinho, the Principal of the College, planted a sapling in the Loreto College back lawn marking the institution's reverence and admiration towards nature.
